*"Lawyers who speak your language"™*

### Practice

Ron's practice is primarily devoted to municipal and environmental law. He is an experienced advocate in planning and building cases before municipal councils & committees, the Ontario Municipal Board and courts. He also serves effectively in the field of business immigration.

### Clients and Cases

Ron represents a wide range of public and private sector clients, including developers, financial institutions, transportation companies, municipalities, and residents' groups. He has won approval for high rise condominiums, single family subdivisions, commercial developments, industrial sites, recreational projects, wind farms, and places of worship. He has also obtained work, study and permanent residence status for applicants in Canada and the US.

### Teaching and Dispute Resolution

Ron has taught Law and Planning at the University of Toronto Law School and Public Law for the Law Society of Upper Canada. He served on the Immigration and Refugee Board and is on the Tarion Builder Arbitration Forum. He has spoken at numerous continuing education programs on municipal and planning topics.

### Community Service

Ron served as Chair of the Municipal and Infrastructure Committees of the Toronto Board of Trade and the Casa Loma Advisory Committee. He is also on the advisory board for The Theatre Centre.

### Special Designation

Macdonald Sager Manis has been named as one of the top 20 development law firms in Toronto.
